## REACHING HIGHER

### ARE YOU READY TO EMPOWER STUDENTS AND TRANSFORM FUTURES?

---

At Liguori Academy, we believe that every student deserves an educational program that meets their needs and sets them up for success. The average household income of a Liguori Academy family is less than \$40,000. By alleviating the financial burden of a private school education for our families, we create an environment where students feel supported, motivated, and empowered to reach higher.

The annual tuition cost a Liguori Academy family is responsible for is \$15,000. Individuals, family and friend groups, and businesses can directly contribute to the tuition of a student on their Journey for Life at Liguori Academy.

#### HOW IT WORKS

- ▶ Make a four year commitment
- ▶ Minimum contribution of \$1,000
- ▶ Opportunity to name sponsorships over \$5,000
- ▶ Get matched to a student
- ▶ Receive regular updates and correspondence throughout the school year
- ▶ Attend school sponsored events to get to know your student
- ▶ Want to contribute anonymously? There is no obligation to interact with your student
- ▶ Sponsorships are considered unrestricted gifts and qualify as charitable contributions

We invite you to choose a gift level that meets your needs and aligns with your commitment to transforming lives. Help us empower students to overcome financial obstacles, achieve their dreams, become the next generation of leaders, innovators, and contributors, and reach higher than ever before.
